

Guess who?

**Still got those curly locks?
Still rocking those dungarees?**

Match your colleagues baby picture to the fully grown adult!

Guess who?

Raise funds for Alzheimer's society with old baby photos whilst also having a giggle with your colleagues!

Sharing old photos is a brilliant way to reminisce, and therefore can be a great way to share a moment with a loved one who is living with dementia.

How to play:

- 1 Use the poster to advertise your competition
- 2 Ask your colleagues for a suggested donation to take part
- 3 Ask your colleagues to email their best baby photo to you
- 4 Email the collection of photos and the name options
- 5 Announce the winner

All money raised will help Alzheimer's Society support anyone affected by dementia.

Alzheimer's Society operates in England, Wales and Northern Ireland. Registered charity number 296645
