

Alzheimer's Society Dementia Support

**Don't face
dementia alone,
we're here for you**

Alzheimer's Society

Together we are help & hope
for everyone living with dementia

Talk to someone who understands

Dementia affects everyone differently, and it can be worrying. But, we're here to listen, to offer practical advice and emotional support, and to connect you to people in a similar situation.

Our dementia advisers are just a phone call away, and available seven days a week. You can also get face-to-face support in your local area, and we have a wealth of online information and guidance at **alzheimers.org.uk**

But sometimes you might just need to have a chat with someone like you, and that's where our online community comes in. A place to share and get the support you need.

We can help you to navigate your next steps more easily and you don't have to face dementia alone. We can give you the hope you need today.

“

Just talking to someone who understands, listens and who can give advice makes a huge difference.
